Amazon.com - As I  
mentioned above, the  
Woom 3 bike, unlike most  
kid bikes on the market,  
features two hand brakes,  
so from the beginning,  
Bergen learned to control  
his speed and stop by gently  
pressing on the levers.  
Pedals and steering work  
just like any other bike,  
although a lot his put into  
the design to make the bike  
ideal for kids. Woom 3
